

ENVIRONMENTAL POLICY STATEMENT

Environmental Policy Statement

Wynsdale seeks excellence in every aspect of our business and is committed to minimising the environmental impacts of our business operations and maintaining the firm's resilience to environmental risks and impacts.

Our commitment is to:

- Continuously improve our environmental performance and to integrate recognised environmental management best practice into our business operations.
- Reduce our consumption of resources and improve the efficient use of those resources.
- Measure and Take action to reduce the carbon footprint of our business activities to meet our published objectives and targets.
- Manage waste generated from our business operations incorporating reduction re-use and recycling in accordance with the principles of the waste hierarchy.
- Manage our business operations to minimise pollution.
- Ensure environmental, including climate change, criteria are considered in the procurement of goods and services.
- Comply as a minimum with all relevant environmental legislation as well as other environmental requirements to which the firm subscribes.
- We are committed to achieving the ISO 14001 within the year 2023 to demonstrate our rigorous monitoring and review.

To meet our commitments, we will:

- Constantly review our environmental policies and performance and allocate resources for their effective direction and implementation.
- Monitor key objectives and targets for managing our environmental performance at least annually.
- Engage with stakeholders, including communicating internally and externally our environmental policy and performance on a regular basis.
- Communicate the importance of environmental issues to our people.
- Work together with our people, service partners, suppliers, landlords and their agents to promote improved environmental performance.

ENVIRONMENTAL POLICY STATEMENT

- Promote appropriate consideration of sustainability and environmental issues in the services we provide to our clients.
- Monitor external environmental impacts and ensure firms resilience to the potential risks.
- Review our Environmental policy regularly.
- This Environmental Policy represents our position on environmental issues and the policies and practices we will apply throughout the business
